You only need to fill out the information requested with the blue asterisks. Be sure to remember your passwords.

Your unitedstreaming account has been created. An e-mail summarizing your account information has been sent to you at the following e-mail address and should arrive within the next 3-5 minutes:

angelabender@fairlawnschools.org

You may now login to the unitedstreaming site.

To Preview and Download Media Clips

Preview all clips in the "Streaming" mode. The "Download" mode is for storing your video clips for later use. Show your clips to your class from downloaded files.

Directions for Downloading:

Internet Explorer: Left Mouse click the "D" button. You will be prompted to save the media file. Choose the location you want the media file to be stored on your system.

Once you select "d" for download,

the following Media Bar Settings screen should appear.

You must be sure to: Select No

You must now select Save and the location where you would like to save the Media clip.

Your download has been successful when you reach the following screen

You may choose open to view the clip or close for later use.

The newer Media clips are protected with "Digital Rights Management"

If you should receive the following screen, you should select QK and proceed.

You will then be asked to verify your subscription by giving your username and password.

PLEASE NOTE: You must be logged into the Internet. The Internet must be running in the background for this information to be processed.

The following screen is an actual Media clip ready to view.

To make the video appear full screen – double clip on the picture or click on the button on the bottom right of the Media clip.

To bring the screen back to the original size, right click on the screen and select Exit Full Screen
